

## PETERSBURG CAN'T DONATE THE MONEY

Appropriation for Battlefield  
Park Contrary to  
Charter.

## TO MAKE REPORT TO-DAY

City Secures Judgment Against  
Bonding Company on Pav-  
ing Deal.

(Special to The Times-Dispatch.)  
PETERSBURG, VA., May 13.—The committee of lawyers appointed at the last Council meeting to consider the question of the legality of the proposed \$5,000 appropriation to be used in the interest of securing a national battlefield park for Petersburg, will render an unfavorable report to the Council at a special meeting to-morrow evening. Of the members of the committee, City Attorney Mason, President W. N. Jones, of the Board of Aldermen, and A. D. Hamilton, of the Council, are of the opinion that the city charter does not authorize such an appropriation. William B. McIlwaine and C. T. Lassiter are favorable to its legality.

**Candidates for Sheriff.**  
John W. Galusha, George Barner and O. Jennings Boushau have announced themselves as candidates for the office of sheriff of Dinwiddie county. Mr. Galusha is the incumbent. Up to this time two candidates for the Legislature have announced, themselves—Henry Lovett and W. L. Paesley. It is understood that Thomas E. Clarke, the present delegate from Dinwiddie, will certainly stand for reelection.

No announcements of candidacy for the office of county treasurer, which has been held for several years by Mr. Samuel Y. Williams, Republican, have yet been made, but the names of several prominent men in the county have been mentioned in connection with the office.

A warm fight is already in progress in Nazamoz District for the office of constable, which has been held by W. J. Bevil. Mr. Bevil is now opposed by Henry Wheeler. The Democratic Executive Committee of the county has been called to meet at the courthouse next Monday to make arrangements for a primary election.

## Success of Revival.

Sunday was a banner day at the union evangelistic service conducted at the Washington Street Baptist church by Rev. George C. Cates. A great congregation attended the Sunday-school mass-meeting in the morning, and the afternoon and evening services were also largely attended. One hundred and seven conversions were effected yesterday, making the total number for the past twenty-one days about 1,700.

## City Gets Judgment.

A judgment for \$2,000 was entered against the defendant in the Hastings Court to-day, in the suit of the city of Petersburg against the American Bonding Company, to recover the amount of the bond furnished for the late John Jacoby, guarantying the quality of the vitrified brick pavement on Sycamore Street, and for failure to keep the pavement in repair for the time stipulated in the contract. William O. Skelton, of Richmond, counsel for the American Bonding Company, noted an appeal, and judgment was suspended in the meantime.

## Morning Wedding.

Mr. Robert Homer Lanier and Miss Frances Mason were quietly married this morning at St. Joseph's Catholic Church by Rev. Father J. T. O'Reilly. The young couple were attended by Mr. and Mrs. W. W. Lanier, Jr. The bride is a daughter of Mr. and Mrs. Charles E. Tench.

Has Pneumonia.

(Special to The Times-Dispatch.)  
CHESTERFIELD, C. H., VA., May 13.—Little Julia Rose, the ten-year-old daughter of Mr. P. V. Cogbill, was taken ill on Saturday, and is now under the care of Dr. J. F. Bagland, who this morning called on Dr. J. F. Bagland, of Richmond, in consultation. Pneumonia in its incipient stage is thought to be the trouble, with possibly some complications. A trained nurse was secured from Richmond this afternoon. Rev. Robert Savage, who owns a farm a few miles from the Cogbill house, expects soon to move to Highland Springs, and take charge of a pastorate there.

## "The Blood Is The Life."

Science has never gone beyond the above simple statement of scripture. But it has illuminated that statement and given it a meaning ever broadening with the increasing breadth of knowledge. When the blood is "the life" or impure it is not alone the body which suffers through disease. The brain is also affected, and may an evil deed or impure thought be directly traced to the impurity of the blood. Pimples, eruptions, can be made pure by the use of Dr. Pierce's Golden Medical Discovery. It cures and purifies the blood thereby curing, pimples, blotches, eruptions and other cutaneous affections, as eczema, tetter, or salt-rheum, hives and other manifestations of impure blood.

## THE FIELD DAY AT RANDOLPH-MACON

Seventeenth Annual Celebration  
at Bedford City a Brilliant  
Affair.

(Special to The Times-Dispatch.)  
BEDFORD CITY, VA., May 13.—Saturday was Field Day at Randolph-Macon Academy. The weather conditions were ideal, clear and cool, when there was no danger from exertion and overheating to the contestants. The campus was firm and smooth, and every condition conspired to the success of the day.

The chief interest centered in the evening, when the best all-around athlete and champion of the day received his guard at the hands of the queen of the day, who was chosen by the votes of all the contestants. The handsome academy building was brilliantly lit with electric lights, and the parlors were decorated with growing plants. The large assembly hall was profusely draped with orange and black, the academy colors, and was thronged with guests, the students in brave array, most of them escorting maidens fair, decked with beautiful flowers, presented by their attendant knights. The ceremonies were presided over by Professor Wilson, of the faculty, who in ornate style presented Rev. Dallas Tucker, who delivered the coronation address.

The vote was then taken, and when counted showed that Miss Gray Guy Johnston had received the honor. She was escorted by Professor Wilson to the throne. She selected as her maids of honor Miss Gertrude Smith and Miss Evelyn Sitwell. Mr. Robert Bruce Barber, of Emmerston, Va., the victor and champion of the sports, then came forward and knelt at the feet of the queen, who placed upon his brow the crown of laurels which was presented on a silver tray by Miss Gwendolyn Johnston. The finale of the brilliant occasion was the serving of refreshments in the spacious refectory to all of the guests, members of the faculty and the students. The tables were decorated with snowballs and other flowers.

This closed the seventeenth Field Day occasion of this school, the progress of which has been a steady progression in attendance each year.

## ITALIAN SAILORS WIN THREE RACES

Capture All But One Event in  
the International Rowing  
Contests.

## JAPANESE ARE OUTCLASSED

American Tars Take Only Other  
Event After Being Fouled by  
Italian Boat.

NORFOLK, VA., May 13.—The Italian sailors swept everything before them in the international boat races between the crews of the various warships anchored in Hampton Roads to-day, winning three out of the four races that were pulled off, and losing the fourth race by fouling the battleship Indiana's boat.

There was a pot of money up on this last race, and it was bow and bow from start to the finish, three miles distant. Just before the two boats came to the line, the coxswain of the cutter of the cruiser Varese steered into the Indiana's boat, grazing the bow. The Americans were in the lead, and the race went to them, despite the foul. The action of the Italians in this race caused a great deal of bad feeling to be shown between the crews of the two boats. The second race was called off.

The showing of the Japanese was very poor. They were entered in the three-mile service cutter race, and finished in the last two places, being hopelessly distanced. The summary: First race—Varese (Italian), 36 minutes 27 seconds; Sankt Georg (Austrian), 34 minutes 23 seconds; Maine, 34 minutes 42 seconds; Iowa, 33 minutes 20 seconds; Chilose (Japanese), 35 minutes 26 seconds; Tsukuba (Japanese), 38 minutes 50 seconds.

Third race—gigs: three miles—First, Varese (Italian); time, 32:27; second, Kentucky, 34:47; third, Sankt Georg (Austrian), 35:49.

Fourth race—racing service cutters; three miles—First, Etruria (Italian), 16 oars; time, 27:45; third, Kearsarge, 16 oars; time, 27:45; third, Illinois, 12 oars; time, 27:30; Chilose and Tsukuba (Japanese), distanced.

Fifth race—standard racing cutters; three miles; two entries—First, Indiana; time, 32:22; second, Varese (Italian). Awarded to Indiana on foul.

North Carolinians Suffered Worst

Defeat of Season Yesterday.

(Special to The Times-Dispatch.)

DURHAM, N. C., May 13.—The Trinity

college was defeated this afternoon

by the strong team from Central Uni-

versity of Kentucky in a fast game by 6

to 1. It was the worst defeat Trinity has

suffered this season, the victors com-

pletely outclassing her. This is the first

game on the local diamond Trinity has

played in two weeks, and for this reason

she was somewhat out of practice. The

features were the work of Smith at short

and Bevin's holding for Trinity, and

the pitching of Arnold for Kentucky.

## JOHN SWANSON TO AID ESTES FAMILY

Brother of Governor Goes to Red  
Hill to See Lady Who Re-  
ceived Letter.

## JUDGE LOVING NOT ILL

McGinnis, Kinsman, Says His  
Nerves Are Not Shattered—Try  
Him at Lovington.

(Special to The Times-Dispatch.)  
CHARLOTTESVILLE, VA., May 13.—Mr. John P. Swanson, of Danville, brother of Governor Swanson and brother-in-law of Theodore Estes, whom former Judge Loving killed at Oakridge on the 22d of April, was in this city to-day on business connected with the coming trial. He went to Red Hill this afternoon to consult the young lady who received the letter from Miss Loving, which has flared somewhat in the publications growing out of the homicide.

Mr. Swanson is perfectly confident that Estes's name will be cleared of every imputation of wrong-doing. It is evident that the Estes family intend to make a vigorous fight to disclose the truth in the case as they see it. Mr. Daniel Harmon, the distinguished lawyer of this city, was in Lovington yesterday, in conference with the family, which has employed him to assist the Commonwealth's attorney, Mr. S. R. Whitehead, in the prosecution. It will be remembered that Mr. Harmon was chief counsel for J. Samuel McGinnis in the trial which resulted in the ex-Mayor's conviction, but in health compelled him to retire.

## Not Complete Wreck.

Mr. Thomas McGinnis, of Oak Ridge,

one of Judge Loving's bondsmen, de-

clines the statement that Judge Loving

is a complete wreck, and that his nerves

have been shattered, or that he has

aged markedly since the tragedy.

When he saw him on Thursday at

"Oak Ridge" farm he regarded him

as in his usual health and as exhib-

iting all his usual capacity in the dis-

patching of business.

In Nelson county now the belief is

strong that the trial will take place

in the little courthouse at Lovington.

It is pointed out that Judge Loving is

out on nominal bail; that there has

been no threat of violence, that he

goes about his business as usual, with-

out fear, apparently, of reprisal, and

this condition of things, it is said, is

not a basis for change of venue. Cer-

tainly before a change of place would

occur a jury from another county

would be resorted to, but even this, it

is urged, is not necessary, since public

sentiment in the county is on the side

of an orderly hearing and disposition

of the charge. Judge Loving's counsel

held a conference at their client's home

at the Ryan place Saturday, all three

of his attorneys being present.
